PEN PILATES

The character of the material.

Original product photograph

30 mm

30 mm beech wood

The warmth of wood. The precision of metal. Details that support movement.

All three models share a 30 mm beech frame and five resistance springs. Adjustments and accessories vary by model. This catalog makes those differences clear.

PEN PILATES

Three models.
Your own rhythm.

Start with your space and the way you plan to use it.
